

Child Registration Form

Welcome to Living Well Partnership. This registration form should be used to register a child aged 15 years or younger. Please note that in order to register your child at least one parent at the same address **must** be registered with the Partnership. Use as many copies of this registration form as you require and attach to the adult form.

Please complete all parts of the registration form and return to the surgery with the child's **birth certificate** or **passport** as proof of identity. For newborns, copies of the **hospital discharge summary** including NHS number are required to register your baby.

to child

Please Note:

For effective continuance of medical care patients will be allocated to specific sites based on their provided postcode at registration. This is to ensure patients have access to the same GP's and are provided a higher level of care.
